

# WE LOVE IT WHEN YOU SPEND TIME IN OUR KINDERGARTEN

Do you think you would like to spend more time here than just pick up and drop off? Are you someone who loves to volunteer your time to help us out? If the answer is yes then you need to let us know you are vaccinated in line with the Public Health Order for mandatory vaccination in kindergartens.

Because we are required to maintain an up-to-date register we need you to fill in this form and attach evidence of your vaccination status. This is for all volunteers and family members aged 12 and over, who may have contact with children (including those who support us in the kindergarten or on excursions). Alternatively, you could send the same details and send a screenshot of your MyCovidRecord vaccination record to [Covidvac@wmkindergartens.org.nz](mailto:Covidvac@wmkindergartens.org.nz).
