

Sharing Good Practice Day PLD
30 September 2019 10.00am to 2.30pm
Venue: The St Johns Club
158 Glasgow Street Whanganui

An opportunity to hear what other teams and individuals are doing at their places. Celebrating each other's Pedagogical Practices!

Please remember to enrol

Agenda

Presentation 1: Mentoring the mentors!

I have a particular interest in being a mentor to provisionally registered teachers as they work towards becoming fully registered. I support two privately owned centres in Whanganui with Registration and with their Appraisal processes. I have been working in this role for 14 years in centres around Whanganui, Marton & Bulls. This presentation created for beginning teachers... **Your Journey... What to expect** also has benefits for mentors, as it has information important to both partners in this journey of becoming a fully registered teacher.

Katherine Walker-Maxwell Districts Kindergarten

Presentation 2: Community of Learners-sharing our journey!

We will be presenting our journey thus far around the development of our community of learners' wall. This will include the strategies we utilised to encourage the participation of whānau, tamariki and our wider community.

Taihape Kindergarten

Presentation 3: Place Based Education

How We Developed Tiriti-Based Practice a timeline of the work we have done over the past 9 years including what got us started, our core teaching values, self-views, courses and workshops, how one developed from the next, where we are now and where to next

Paparāangi Kindergarten

Lunch

Presentation 4: Whānau Aspirations

How we went from 0% -100 % gathering Whānau Aspirations. How this has supported us in building relationships and working in partnership with Whānau. How we intentionally plan to progress these aspirations in our day to day programme and teaching practice.

Anne Masterton- Waitohi Kindergarten

Presentation 5: Sharing our journey!

In January 2019, a new concept of service delivery was formed between three kindergartens operating in the Gonville/Castlecliff community – Marie McFarland, Barsanti and Gonville. What became evident at the outset was that the success of this journey was going to be dependent on the development of whanaungatanga! How did these relationships develop – what were the challenges and the celebrations? This presentation shares some of that journey and the outcomes for tamariki, whānau, kaiako and tangata so far...
