

Investigating Organizational Citizenship Behaviour

PARTICIPANTS NEEDED

Do you work for a Non-Governmental Organization or a Non-Profit Organization?

Are you interested in learning about citizenship behaviours at work?

Have you thought about why you go above and beyond to help others?

Want to go in the draw to win an Apple Watch?

INTERESTED?

If these questions apply to you, I would like to invite you to take part in this PhD research project.

All you need to do is complete an online questionnaire that looks at what causes Organizational Citizenship Behaviour.

It will take around 20 minutes for you to do the survey.

WHAT IS OCB?

Organizational Citizenship Behaviour can be thought of as voluntary acts that are carried out willingly and pleasantly. Employees are not forced to behave in this manner and they do not expect any kind of formal reward for this behaviour. The organizational context will influence the expression of this good membership behaviour.

HOW TO TAKE PART

Follow this link to the survey:
