

Katoa Kindergarten

At katoa, we base our teaching philosophy around the following aspiration for tamariki, “to grow up as competent and confident learners and communicators, healthy in mind, body, and spirit, secure in their sense of belonging and in the knowledge that they make a valued contribution to society

”tewhāriki, moe (1996 & 2017).

Your teaching team (from top to bottom) Jess (Head teacher), Sonja, Cinnamon (Teachers), Jesse (Teacher support), Nicole (Office Administrator) and Morgan (Play group Coordinator).

Your child’s portfolio contains a snap shot of their learning during their time at Katoa Kindergarten. It belongs to your child, so please feel free to take it home, add photographs, or write about what they enjoy at home. It helps us to build a picture of your child, and it strengthens the link between home and kindergarten.

Monday to Friday from 8:30 a.m. until 2:30 p.m.
Play Group 8:30 until 11:30 each day

Please feel free to contact us
