

MAHI TAHI NUMBER 8

Thanks everyone for your patience as we have worked through the first 4 days of Whanganui Kindergartens becoming part of Whānau Manaaki, we appreciate the ways you are working with us as we make the transition.

By the end of this week, you will have had a 'compendium' of all the Mahi Tahi and other information delivered to your kindergarten. This compendium will be a 'go to document', contained in one place for your reference and ease.

It will be great to touch base with you all at conference next week, in the meantime please feel free to get in touch either with the Whanganui office or Wellington office 😊

Finance Update

Just a reminder that Infocare is locked now for June, which means that you are not able to make any changes. Please let Tania (04 2323069) know if you are aware of any changes that may need to be made.

If you haven't managed to access the new Infocare login let Pamela or Tania know and they will help you.

As fees are now collected centrally please remember to refer families with any queries directly to Andrea or Cathryn on (04 232 1745). We are due to send out fee statements on Thursday 18th July, so can you please check that all families email details are up to date in Infocare. If you have families who do not wish to receive fee statements via email or you do not have email details for get in touch with Cathryn also.

Policies

During this week you will have received a Whānau Manaaki policy booklet. This contains all of the latest policies as of the beginning of July.

All policies will continue to be reviewed and updated and the latest version as they change will be loaded onto the wmkindergartens/staff page. We let you know through the kōrero when we are reviewing policies and feedback is very welcome. In the meantime if there are any policies (even those that aren't currently being reviewed) that you are not sure about, please get in touch and let us know your feedback.
