

“O A’u O Le Samoa 101 and 102”

Whanau Manaaki in Partnership with Excel Pacific are proud to bring back its revised Aganu’u Fa’asamoa program for beginners. This program is delivered by Excel Pacific Trust throughout New Zealand. “O A’u O Le Samoa 101” programme provides learners with relevant information about the values and practices of Samoan culture and language and how these might be applied to everyday life and for participating or contributing within family and community to those born and raised outside of Samoa. It is a beginner’s course for those seeking to gain a basic understanding of Fa’asamoa.

Whanau Manaaki in Partnership with Excel Pacific are proud to introduce the new ‘O A’u O Le Samoa 102’ programme that will run at the same time as the 101 class. The price for new students will be the same as the 101 course, but for all those that have completed 101 will receive a discounted rate. Prices are on the registration form. Programme will be sent out at a later date.

Some Areas O A’u O Le Samoa 101 will cover:

Pre course Requirement: Learn your Fa’alupega before the Course starts. You can access these from your parents or matai’s in your families. If there is NO way you can get your fa’alupega, we can send it to you from here, however, we really encourage you to use what has been passed down through your families as it is your duty to keep it alive in your family.

Course Requirements: PLEASE wear ie lavalava to every session and bring your phones or a recorder to record our ‘LIVE SESSIONS’. I perform for you every session, so you can listen to the pronunciation and tone etc. as each student will perform in front of the class every day.
