6.00-9.00pm *(Catering provided)*

Last year, Pacific communities told us what a good education system looks like for them, their family and their community. We've been working hard to respond to what was shared and we want to work with you to make change together.

-  **Have we reflected your voices in the work we've done so far?**
-  **How do we know we are making progress towards the change you want to see?**
