

Aroha

Loving Kindness

The ability to understand the feelings of others and empathy goes hand in hand with compassion.

Manawaroa

Resilience

Empowering children to have a voice, take risks, problem solve and supporting children to develop the skills to navigate social interactions, emotional resilience and self-regulation.

Marutau

Security

Children develop a sense of belonging and trust that their emotional needs will be responded to.

Kounga

Quality

children learn through play and discovery in an enriched dynamic learning environment.

Our Teaching Philosophy

Manatika-a-iwi

Social Justice

Empowers equality and inclusiveness, as society moves we move with it. All learning experiences are available to children without barriers and / or discrimination based on gender, culture, age, and ability

Mana

Holding oneself in esteem

For children to believe in themselves and feel good about who they are, so they can develop confidence in their abilities.

Kaitiakitanga

Guardianship

To be kind and caring, for themselves and for every living thing.

Takitahitanga

Individuality

Each child is valued as an individual, unique and special in their own right with their own strengths, interests and qualities.
